## Profile

- Web Developer with over 9 years of experience in developing Web 2.0 applications for the desktop as well as mobile web with a keen eye for UX.
- Avid technology enthusiast; gadget freak; old school PC gamer; loves developing Web Apps & Data Visualizations, travelling and occasionally reading good fiction.

## Work Experience

9 years 1 month

**Senior Developer** at tPoint Solutions, Maidenhead, England

May 2014 - July 2016

As Senior Developer, leading entire front-end development effort of the company. Working on a low-latency Performance Monitoring Data Visualization Dashboard that is completely responsive.

**UI Engineer** at ZyFin Research Private Limited, Mumbai, India

September 2012 - May 2014

As UI Engineer, designed and developed cross-browser, cross-platform Web Apps and Data Visualizations using macroeconomic data and HTML5, CSS3, jQuery, and D3.

**IT Analyst** at Jean Martin Systems India Limited, Chennai, India

January 2012 - September 2012

As an IT Analyst, worked with the on-site development team in building a clean energy setup monitoring dashboard for Petra Solar (one of the industry leaders in solar-energy business in the US)

**IT Analyst** at TATA Consultancy Services, Mumbai, India

July 2011 - January 2012

As an IT Analyst, developed Cubbuzz (an interactive advertising-cum-marketing tool with tracking capabilities for analytics) for AXA Equitable and ING Direct. I was awarded a certificate for my [outstanding contribution](#).

**Senior Software Engineer** at Geodesic, Mumbai, India

July 2009 - July 2011

As a Senior Software Engineer, developed indigenous trading and Portfolio Analytics application for Angel Broking. As a Software Engineer, created a comprehensive Wealth Management Application (desktop and online version).

**Senior Programmer** at Zeus Learning, Mumbai, India

July 2007 - July 2009

As a Senior Programmer, led a team(of 3 Programmers + 1 tester) on a large-scale in-house project. Organized recruitment drives, set aptitude test papers and conducted interviews for the employer.

As a Web Programmer, underwent training in Web Dev technologies & started developing a prestigious project for Discovery Education within a month of training.

## Skill Set
